ENJOY AN EVENING CELEBRATING BASQUE CULTURE IN KERN COUNTY THROUGH THE CULINARY + PERFORMING ARTS

Celebrate the heritage of Kern County's Basque community with the Kern County Basque Club, CSUB Institute for Basque Studies, Wool Growers Restaurant, and KDA at **TASTE OF DANCE – BASQUE!**

Hosted at one of Kern County's most iconic restaurants, **Wool Growers**, guests will enjoy an interactive dinner program of traditional Basque music, dance, and cuisine, beginning with a social cocktail hour before an interactive exploration of Basque community life. Guided by Basque historian and author **John Ysursa** and Dr. Steven Gamboa, Director of the CSUB Institute for Basque Studies, the program examines how performing and culinary arts serves as a living expression of Basque pride and heritage, strengthens bonds across generations, and brings people together.

**A ticket is required for entry. Seating is open, family style, and available on a first come, first served basis. Price includes meal, beverages, tip, and entertainment. Social Hour is no-host bar.*
